

# QMS Audit Report

|                                                                                                                                          |
|------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Question No:4.1 Understanding the organization and its context. Is this correct?</b>                                                  |
| Answer: Yes                                                                                                                              |
| Evidence: Nisi incididunt cons                                                                                                           |
| <b>Question No:4.2 Understanding the needs and expectations of interested parties. Is this still correct?</b>                            |
| Answer: No                                                                                                                               |
| Evidence: Eu porro at architect                                                                                                          |
| <b>Question No:4.3 Determining the scope of the quality management system. Is this still correct?</b>                                    |
| Answer: No                                                                                                                               |
| Evidence: Qui aut sed officia                                                                                                            |
| <b>Question No:4.4 Quality management system and its processes. Are processes owned, relevant and show interaction?</b>                  |
| Answer: No                                                                                                                               |
| Evidence: Sunt laudantium qui                                                                                                            |
| <b>Question No:5.1 Leadership and commitment. Is top level management accountable for the quality system and is it customer focused?</b> |
| Answer: Yes                                                                                                                              |
| Evidence: In adipisci ipsum i                                                                                                            |
| <b>Question No:5.2 Policy. Is the quality policy established and accurate, reviewed and communicated?</b>                                |
| Answer: Yes                                                                                                                              |
| Evidence:Accusamus libero rep                                                                                                            |
| <b>Question No:5.3 Organizational roles, responsibilities and authorities. Are these assigned and communicated?</b>                      |
| Answer: No                                                                                                                               |
| Evidence: Accusamus libero rep                                                                                                           |

|                                                                                                                                                                                                                   |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Question No:6.1 Actions to address risks and opportunities. Are risks and opportunities managed, understood and reviewed?</b>                                                                                  |
| Answer: No                                                                                                                                                                                                        |
| Evidence: Nisi qui dolorum in                                                                                                                                                                                     |
| <b>Question No:6.2 Quality objectives and planning to achieve them. Are objectives set at Management Review and monitored?</b>                                                                                    |
| Answer: No                                                                                                                                                                                                        |
| Evidence: Nisi quam vitae prae                                                                                                                                                                                    |
| <b>Question No:6.3 Planning of changes. Have any changes occurred been planned to meet section 6.3 of the standard?</b>                                                                                           |
| Answer: NA                                                                                                                                                                                                        |
| Evidence: Cupidatat eu excepte                                                                                                                                                                                    |
| <b>Question No:7.1 Resources. Are there sufficient resources available? Considering people, infrastructure, process-operating environment, resource monitoring and measurement, and organizational knowledge.</b> |
| Answer: NA                                                                                                                                                                                                        |
| Evidence: Amet reiciendis aut                                                                                                                                                                                     |
| <b>Question No:7.2 Competence. Are the training records being updated?</b>                                                                                                                                        |
| Answer: NA                                                                                                                                                                                                        |
| Evidence: Porro maiores omnis                                                                                                                                                                                     |
| <b>Question No:7.3 Awareness. Does employee awareness comply with standard's section 7.3?</b>                                                                                                                     |
| Answer: NA                                                                                                                                                                                                        |
| Evidence: Consequat Nisi sit                                                                                                                                                                                      |
| <b>Question No:7.4 Communication. Does communication comply with standard's section 7.4?</b>                                                                                                                      |
| Answer: NA                                                                                                                                                                                                        |
| Evidence: Anim eaque cum duis                                                                                                                                                                                     |
| <b>Question No:7.5 Documented information. is all documentation related to the quality system being regulated as mentioned in P1?</b>                                                                             |
| Answer: NA                                                                                                                                                                                                        |

|                                                                                                                                                                                              |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Evidence: Consequat Nisi sit                                                                                                                                                                 |
| <b>Question No:8.1 Planning and managing operations. Is the control system up to date and functional?</b>                                                                                    |
| Answer: NA                                                                                                                                                                                   |
| Evidence: Commodi reprehenderi                                                                                                                                                               |
| <b>Question No:8.2 Requirements for products and services. Are customer communications successful, and has expectations for goods and services been established, examined, and recorded?</b> |
| Answer: Yes                                                                                                                                                                                  |
| Evidence: Optio quibusdam eaq                                                                                                                                                                |
| <b>Question No:8.3 Design and development of products and services. Are the requirements of this standard met?</b>                                                                           |
| Answer: NA                                                                                                                                                                                   |
| Evidence: Culpa dolore recusan                                                                                                                                                               |
| <b>Question No:8.4 Control over procedures, goods, and services that are delivered by third parties. Are the external processes, products and services being regulated?</b>                  |
| Answer: NA                                                                                                                                                                                   |
| Evidence: Lorem deserunt ad ne                                                                                                                                                               |
| <b>Question No:8.5 Production and service provision. Production and service delivery, including after-delivery operations, are they under control?</b>                                       |
| Answer: NA                                                                                                                                                                                   |
| Evidence: Sequi autem in vitae                                                                                                                                                               |
| <b>Question No:8.6 Release of products and services. Are products and services completed and checked before release to the customer?</b>                                                     |
| Answer: No                                                                                                                                                                                   |
| Evidence: Voluptatem delectus                                                                                                                                                                |
| <b>Question No:8.7 Control of nonconforming outputs. Does the records being updated?</b>                                                                                                     |
| Answer: No                                                                                                                                                                                   |
